

Shine Child Development

Shine Therapy Care Assistant

Shine Child Development Costa del Sol is seeking a candidate, with a passion towards supporting special-needs children, to join our dynamic multi-disciplinary development team.

Shine Therapy Care is a specialized program designed to support children's individual needs within a social setting. You will be paired with one individual child, along side another Therapy Care Assistant and child, creating a safe and interactive environment for growth and development. You will follow a specific therapeutic curriculum involving group work, individual therapeutic time conducting specialized client-centered therapy programs, enjoy outdoor adventures to the park and beach and come together for snack time.

A Shine Therapy Care Assistant requires enthusiasm, ability to demonstrate good interpersonal and communication skills when working with children, families and colleagues and a willingness to learn and evolve.

Shine Therapy Care Assistant Job Responsibilities:

- Participates in Shine Professional Development Courses and Team Meetings
- Follows child centered treatment plans
- Monitors therapy programs and provides the Clinical Therapy team feedback
- Follows the therapeutic curriculum designed for the child you support
- Works in partnership with the other Shine Therapy Care Assistant to create a fun, safe environment for growth
- Serves and protects Shine Child Development therapeutic practice by adhering to professional standards, policies and procedures

Shine Therapy Care Assistant Salary:

- Competitive; to be discussed further in the interview

Working Schedule:

- Shine Therapy Care Assistants provide clinic based therapeutic support to children during a 3 hour block of time; 9:30am-12:30pm and 1pm-4pm.
- Shine Therapy Care Services run Monday, Thursday and Friday. Total of 9 hours/week

The Benefits of joining the Shine Child Development Team:

- Flexible working hours
- Mentorship, training, supervision and guidance from the Shine Therapy Team
- Working with varying ages and abilities keeping the role interesting and evolving
- Being apart of a multi-disciplinary therapy team

Shine Child Development

Therapy Assistant Qualifications / Skills:

- 2+ years experience working with children; school based, community based
- Documentation skills
- Interpersonal and communication skills
- Enthusiasm and willingness to take direction
- Teamwork
- Dependability
- Creative and adaptability

Experience and Legal Requirements:

- High school diploma or equivalent, preferred
- Current CPR certification
- Criminal Record Check
- Drivers License or a method of transport to reach our Therapy Clinic
- Autonimo Status
